

## LOW RATES JANUARY 16 TO 19

### Nearly Half Fare for Everybody During Convention of State Horticultural Society in January.

The convention of the Arkansas State Horticultural society to be held in Mena January 16 to 19 inclusive is responsible for the making of very low rates by the Kansas City Southern. As these rates are to be open to all, the following from a letter received here from S. G. Warner, G. P. and T. A., will be of interest to many citizens and their friends elsewhere:

“All railroads in Arkansas have agreed to authorize excursion rates to Mena for the convention of the Arkansas State Horticultural society. The fare will be only fifty cents more than the one-way rate, except to points within fifty miles of Mena the rate will be one and one-third fare. These rates will be in effect on January 13, 14, 15 and 16, with return limit of January 22, 1906, which will permit quite a stay in Mena.

“These rates will not be restricted to members of the Horticultural society, but will be open to everybody, and I would suggest that people in Mena who have friends or relatives living in other parts of the state whom they would wish to visit Mena, should write to them and advise them of the excursion rates to Mena on January 13 to 16 inclusive.”
